## Product highlights

### Flex & Pivot Action

*Three independently flexing heads in a shaving unit that swivels with a full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.*

### Triple-Track shaving heads

*The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.*

### Super Lift & Cut technology

*The dual blade system lifts hairs to cut comfortably below skin level.*

### Precision Cutting System

*Ultra thin heads with slots to shave the long hairs and holes to shave even the shortest stubble.*

### Precision tube trimmer

*Patented tube trimmer technology for great precision and maneuverability. Perfect for contouring and trimming moustache and sideburns.*

### Washable shaver

*The waterproof shaver can be easily rinsed under the tap.*
